

DasZuchthaus

Detention request

Note: The questionnaire is an essential part of the application process. The application form decides whether the inmate is accepted or rejected for the event. The more detailed it is filled out, the better the chances of the inmate to receive a positive decision.

At best, the delinquent indicates the exact date of his desired stay in order to assign the questionnaire to the correct event.

Shuttle service from/to the nearest airport will be charged extra. This also applies possible kidnapping scenarios and the prisoner transporter, which can only be booked for stays in Grauenstadt and Lockwitz.

VI. Further information

My absolute taboos are:

What is the prisoner looking for? How do you see your role? What is important to you?

What do you expect from the event?

Any other comments and suggestions?
